SAVE THE DATE !

Book Fair starts 11/4

Dance for Education 11/13

Bake Sale 11/20

Dine and Donate 11/21

HOPE CARES

November Service Projects

Clothing Donations Needed!

Need to clean-out your closet? Ready to do the summer/winter clothing switch? Now is the time to do it! For the entire month of November, the PTA will be

working in conjunction with the South Jersey Dream Center to collect clothing for those in need right here in South Jersey. We are collecting all sizes: infant, child, men, and women. Clothing should be in ready-to-wear condition. Please consider donating to this great cause!

Food Drive

With the holidays quickly approaching, we cannot forget those who struggle to find their next meal. Mrs. Rocco is spearheading the OLOH November Food Drive for the St. Vincent DePaul Society. Please be on the lookout for her handout of specific items needed for the food pantry in the coming days.

Veterans Wall

OLOH would love to honor family members and friends that have served our country in the military. Please send in photos of your loved ones in their military attire to add to our Veteran's Wall in the entryway of our school. Please make sure all photos are labeled with both, the veteran's name and the student's name, so the photos can be returned. Photos can be sent in November 4-8. God Bless America and God Bless our Veterans!

Angel Tree

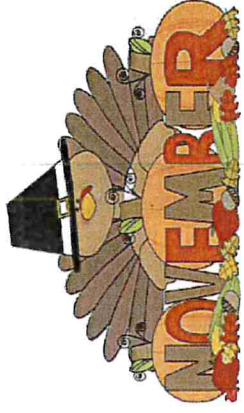

The HOPE Angel Tree will be set up in the front entrance of school the week of teacher conferences. Each angel on the tree is a special classroom request. Please consider taking an Angel and help make Christmas even merrier for our teachers and students!

Spirit Shop

The spirit shop will be open again for your holiday shopping. Check out all newest HOPE gear including everyone's favorite pajama pants. Orders will arrive before Christmas and make perfect gifts. Thanks to your continued support our first sale of the year raised \$1000 for our school. The spirit shop opens 11/4
